Denise Remond, violinist.

Illegal Tax Exemptions.

A decision of the Supreme Court declaring unconstitutional the \$500 tax exemption allowed by law to firemen, sailors, soldiers and soldier's widows, has created a great stir among the large class of people who have enjoyed the benefit of this exemption for years. It is understood that the above classes of exemptions represent about \$40,000 on the tax duplicate of this town. The question of the constitutionality of these exemptions came up in the case of Edward Tippet against the borough of Rockaway, and the court rendered a decision which in effect declares the exemptions to be unconstitutional.

The case before the court involved an exemption allowed to a fireman of Rockaway Borough, and the decision extends to other exemptions, thus solving a long disputed question, that the Legislature had no right to exempt individuals, and that there was but one class to be exempted within the law, namely, real estate.

Whether or not the Court's decision comes in time to materially affect the taxes levied for the current year is a question upon which Tax Collector Foster may have to consult the Town Attorney. In some instances Tax Collectors are seeking legal advice as to their duty in the matter. In Belleville on Wednesday Tax Collector Osborne declined to receipt a tax bill involving an exemption. A property-owner entitled to the exemption under the statute offered to pay his taxes, less the exemption, and the Collector advised him that he would prefer to await the decision of the committee before acting in the matter. The exemptions in that township are about \$1,200 annually.

It is very likely that the matter will be brought to the attention of the Town Council Monday night. The State Firemen's Association will undoubtedly take this matter up on behalf of the exempt firemen throughout the State, and the soldier organizations will also be heard from, and no doubt great pressure will be brought to bear upon the Legislature to frame and enact a constitutional measure legalizing the exemptions.

Silver Lake Chapel.

On last Saturday and Monday evenings was held at the chapel anniversary and social reunion services. The occasion was one of great interest and pleasure, both services being largely attended, especially the reunion service on Monday evening, when the chapel was literally packed with old and new friends. On Sunday evening Rev. Mr. Brattom of Newark and Mr. Ougheltree of Belleville were present and delivered soul-stirring addresses. There were also very interesting exercises by the children. Mr. John Little, Jr., Superintendent of the Sunday-school, conducted the services and made appropriate remarks. A letter of congratulation was read from Mr. Joseph B. Maxfield, who was absent by reason of sickness. On Monday evening Rev. C. A. Cook and Mr. David G. Garbraut took part in the services, with very great acceptance. Many members of the chapel who had been with it in earlier years were present and added largely to the enjoyment of the occasion. Ice-cream, cakes and other refreshments were very liberally dispensed, making the meeting one of substantial good cheer and long to be remembered.

New Presbyterian Forms of Service.

A committee appointed by the last Presbyterian General Assembly, with the Rev. Dr. Henry Van Dyke as chairman, is at work on new forms of service for the churches of that body. The committee's work, as outlined by the General Assembly, will be to draw material from the Scriptures and the usage of reformed churches. The committee has just had its first session in Princeton, N. J. Dr. Van Dyke, replying to inquiry, said that there was no idea of preparing any forms for Presbyterian churches which would be in the least ritualistic. The only intention is to prepare forms of service in which the congregation may have a part. The forms will be optional and need not be used by any church that does not approve them.

Bible Class Reception.

The Bible class connected with the First Church and led by Dr. Franklin C. Wells, held an informal reception last Friday evening in the parish house, with a large attendance. Mr. Howard B. Davis was president of the organization and various committees will shortly be formed for active work. As the class had quite outgrown the Bible class room, it moved on Sunday into the Church auditorium. A very large number were present and with larger accommodations a very cordial invitation is extended to others to meet with them.

WHY HE DOES IT.

Druggist W. W. Keyler Gives Reasons For Selling at Half-Price.

"It isn't often that I have faith enough in the medicines put up by other people to be willing to offer to refund the money if it does not cure," said druggist W. W. Keyler to one of his many customers, "but I am glad to sell Dr. Howard's specific for the cure of constipation and dyspepsia on that plan."

"The Howard Co., in order to get a quick introductory sale, authorized me to sell the regular \$1 cent bottle of their specific for half-price, 25 cents, and, although I have sold a lot of it, and guaranteed every package, not one has been brought back as unsatisfactory."

"One great advantage of this specific," he continued, "is its small dose and convenient form. There are sixty doses in a vial that can be carried in the vest pocket or purse, and every one has more medicinal power than a big pill or tablet or a tumbler of mineral water."

"I am still selling the specific at half-price, although I cannot tell how long I shall be able to do so. Any person who is subject to constipation, sick headache, dizziness, liver trouble, indigestion, or a general played-out condition, ought to take advantage of this opportunity. If the specific does not cure them, they can come right back to my store, and I will cheerfully refund their money." —Adet.

Foot-Ball Notes.

A score or more of people will go from this town to New Haven to-day to see the Princeton-Yale foot-ball game.

Hambacher of this town and Schwinn of East Orange carried off the honors for the Orange Athletic Club in the game with the Watertown, N. Y., team last Saturday, in which Orange was beaten—32-0.

At South Orange last Saturday morning the South Orange High School football team scored an overwhelming victory over Bloomfield High School, winning by the score of 46 to 0. The phenomenal playing of Pryor, the right halfback of the South Orange team, was chiefly responsible for the victory. Pryor was a terror to Bloomfield in hitting the line, made runs of 65, 50, 30 and 25 yards and six times crossed the opponents' line for touchdowns. Murchie also did creditable work, making the other two touchdowns—one on a run of fifty yards. The line up:

Scouts Onions H. S. BLOOMFIELD H. S.
Fryer Left end Maxwell
Crouse Left tackle Ackerman
Brown Left guard American
Miller Center guard Morris
A. Smith Right Guard J. Adams
Gunning (Cap) Right tackle Lawrence
Schmid Right end Phillips
Georgi Middle guard Tyrell
Murchie Left halfback Weber
D. Pryor Right halfback King (Cap)
Fullback R. Adams

Score at end of the half—South Orange High School 34; Bloomfield High School 0. Murchie, 4. Goals from touch-downs—Pryor, 6; Murchie, 2. Goals from touch-downs—Murchie, 6. Time of halves: Twenty and nine-tenths minutes. Referee: McCullough of South Orange High School. Umpire: Mr. S. C. Gandy of Orange Field Club. Linesmen—Terrell of South Orange High School and Wells of Bloomfield High School. Timekeepers—Mr. Brainerd of South Orange High School and Mr. Jameson of Bloomfield High School.

Consecration of Bishop Lines.

Rev. Dr. Edwin S. Littus will be consecrated as Bishop of the Episcopal Diocese of Newark in Grace Church, Newark, on Wednesday, November 18, the services beginning at 10.30 o'clock in the morning. G. Vernon Murphy and Mayor Doremus have accepted invitations to attend the consecration services.

During consecration week Bishop Lines and his wife will be the guests of Rev. Louis S. Osborn of Trinity Church, Newark. On the Sunday morning following his consecration the Bishop will celebrate holy communion in St. Philip's Church (colored), Newark, at an early hour. At 11 o'clock he will preach his first sermon in this diocese at Trinity Church.

On the day of his consecration a public reception will be tendered the Bishop in the New Auditorium in Orange street, Newark, from 4 to 6 P. M., to which an invitation to the clergyman of all denominations in the city will be extended. The ladies of the diocese are going to present the Bishop an Episcopal ring.

The annual Convention of the Women's Auxiliary of the Newark Diocese of the Episcopal Church will be held in Christ Church in this town on Friday, November 20. Bishop Lines will be present and preside. A recess will be taken from 1 to 2 P. M. for luncheon, during which period a reception will be tendered the Bishop in the rectory.

"Ben-Hur."

The remarkable public interest that still exists in "Ben-Hur," despite the fact that it is now in the fifth year of its presentation, serves to keep the New York Theatre packed to its capacity at every performance. Although now in the eighth week of its revival at the New York, there is not an indication of failing off in attendance, and the advance sale manifests the same spirit as in the first week of its run. Nothing like this has ever been known in New York theatrical history. But notwithstanding its success, "Ben-Hur" has only a few more weeks to remain at the New York. All who do not take advantage of the present opportunity will fail to see this great play, as it will probably never be revived in New York again. Seats may be ordered by mail, accompanied by remittance.

Fire Alarm Test.

Councilmen Farrand and Moore of the Fire Committee made an inspection of the fire alarm system last week, making a test of every alarm box in the system. The test, it is said, was highly satisfactory.
